

KordKlip

Tired of losing your phone cord* behind your desk?

Tape too sticky?

Binder clips a pain?

ClampChamp has your solution!

The KordKlip is a simple, no-frills solution that gets the job done. Clip it to anything on your desk and slide the phone cord into the top end. When you're ready to use the cord, slide it up and out. It's really that easy. Buy one today!

*Not compatible with iPhone Lightning connectors. Prototype model shown; actual product may differ.
